

Addendum 2

Issued April 7, 2026

The following information changes the competitive process documents issued on March 19, 2026.

QUESTIONS AND RESPONSES

- Q1 The tender form has a space for abatement. But in reading the specs, there is no actual DSS report. only general asbestos specs. Is there asbestos abatement work.
- R1 Refer to Addendum 1, Items 1 and 2.**
- Q2 Is the general extend of roofing work, to patch all the removals of the posts from the wind screen that is noted for demolition.
- R2 There are no post connections to the roof. The wind screen is attached to the existing RTU.**
